The County is accepting proposals for the lease of approximately 8,400± foot build-to-suit building or a modified existing building. General specifications for the building are attached. The facility may be an existing building modified to meet the general specifications or a build-to-suit. The actual square footage and floor plan will vary depending on the layout of the various facilities under consideration. A free-standing, single tenant, building is preferred but not required.

The facility is preferred, but not required, to be located within the area shown on the attached map. The preferred area is bounded on the north by Highland Avenue, on the west by Cherry Avenue, on the south by San Bernardino Avenue, and the east by Palmetto Avenue in Fontana.

The facility will be utilized for office space for the Department of Aging and Adult Services. The desired number of parking spaces is 80 (4 of which must be handicapped accessible and secured parking for 11 County vehicles).

The term of the lease is preferred to be 7 to 10 years, with options to extend.

The successful Proposer will be expected to: Provide a project location; provide a licensed architect and complete plans for modification or construction; obtain all applicable government approvals for modification or construction of a building; construct the building and/or improvements; enter into a lease agreement with the County of San Bernardino; and maintain the facility.

It is the County's intent that the contractual relationship between the Proposer and the County shall be substantially as set forth in the attached sample lease agreement. In developing the proposal, the Proposer should carefully review the agreement to take into consideration the rights, obligations, and costs associated therewith. For example, in the event the Proposer intends to contract for the construction of any portions of the improvements outlined in the attached General Specifications, the Proposer should review Paragraph 41, LANDLORD'S IMPROVEMENTS, and take into account the applicable portions of Labor Code Section 1720.2 and 1770 et seq regarding general prevailing wage. **Any change in the agreement which the Proposer desires must be specified in the proposal.**

This is not a solicitation of bids. The County reserves the right, for any reason, to accept or reject any one or more proposals; to negotiate the terms and specifications for the facility; to modify any part of the RFP; or to issue a new RFP. The County assumes no responsibility or liability for the accuracy of any information set forth in maps, reports, or other documents/materials provided for the Proposer's use in developing their proposal. The Proposer assumes all liability in the use of such information in developing their proposal. The County of San Bernardino assumes no responsibility or liability for costs incurred by the Proposer in the preparation of a proposal and response to this RFP. Materials submitted in connection with this RFP are for the exclusive use of the County of San Bernardino. All proposals will become the property of the County and will not be subject to return. All information contained therein shall be subject to public disclosure under the California Public Records Act, Government Code section 6250 and following. Except as provided below, submission of the proposal shall be deemed to be a waiver of any exemption or exception to disclosure which the Proposer may otherwise have.

The Proposer is responsible for making all necessary investigations and examinations of documents affecting performance. Failure to do so will not act to relieve any condition of the sample agreement or the documents. It is mutually agreed that the submission of a proposal shall be considered conclusive evidence that the Proposer has made such investigations and examinations.

Any reasonable inquiry to determine the responsibility of a Proposer may be conducted by the County. The submission of a proposal shall constitute permission by the Proposer for the County to verify all information contained therein. If the County deems it necessary, additional information may be requested from the Proposer. Failure to comply with any such request may disqualify a Proposer from further consideration. Such additional information may include evidence of financial ability to perform, for example, tax returns, bank statements, etc. All financial information submitted in response to request for financial data is subject to disclosure under the provisions of the California Public Records Act, Government Code section 6250 and following. In the event the County receives a request for the disclosure of any such information, prior to the release of any such information, the County will contact the Proposer and will not release the information if the Proposer, within five (5) days of receipt of notice of the disclosure request, requests non-disclosure, provides County a legally sound basis for non-disclosure and agrees to indemnify, defend and hold harmless the County in any action brought to disclose such information. The Proposer, by submitting such information, agrees that the failure of County to contact the Proposer prior to the release of such information will not be a basis for liability by County or any County employee to Proposer.

The County, their agents, officers, volunteers, and employees, shall not be liable for any claims, liabilities, penalties, fines or for damage to any goods, properties or effects of any person, caused by or resulting from any acts, errors or omissions of the Proposer or the Proposer's agents, employees, or representatives.

The County of San Bernardino established a Child Support Compliance Program. (County Code Section 110.0101 et seq.) The Program is intended to assist the District Attorney (DA) in locating

County employees, contractors and business licensees who owe child, family, and spousal support obligations. This Program is designed to enhance the welfare of dependents by ensuring that those who owe a duty of support are held accountable for their responsibilities, in order to mitigate the County's resultant financial burden.

All contractors doing business with the County must submit a completed Principal Owner Information Form (POI Form).

Failure by a contractor to submit the POI Form within 90 days of the request shall be grounds upon which the County may terminate a contract. In addition, a new contractor that does not have an existing vendor code assigned by the Auditor/Controller must submit the POI Form to the DA (with a copy to the soliciting department) prior to the award of a contract.

- a. The proposal must be complete, in the required format, and be in compliance with all the requirements of this RFP.

However, no proposal shall be rejected if it contains only a minor irregularity, defect or variation, provided the minor irregularity, defect or variation is considered by the County to be immaterial or inconsequential, and allowing the Proposer to remedy the minor irregularity, defect or variation will not give the Proposer an unfair advantage over other Proposers. opportunity to correct the irregularity, defect or variation or the County may elect to waive the deficiency and accept the proposal.

 - e. Proposer's Experience/Ability to Finance.

Selection will be based on determination of which proposal will best meet the needs of the County and the requirements of this RFP.

- 3) Lease Award: A lease will be awarded based on a competitive selection of proposals received. The contents of the proposal of the successful Proposer, will become lease obligations. Failure to accept these obligations in a lease agreement may result in cancellation of the award. The County reserves the right to negotiate any proposed term(s) with the selected Proposer prior to lease award.
- 4) Protests: Proposers may protest the recommended award, provided the protest is in writing, clearly identifies the RFP, is delivered to the address listed above for proposal submission, and submitted within five (5) calendar days of the date of the notification of intent to award.

Grounds for a protest is that the County failed to follow the selection procedures and adhere to requirements specified in the RFP or any addenda or amendments; there has been a violation of conflict of interest as provided by California Government Code Section 87100 et seq.; or violation of State or Federal law. Protests will not be accepted on any other grounds. In event of a protest, all protests will be handled by a panel designated by the Assistant County Administrative Officer.

The County will consider only those specific issues addressed in the written protest. A written response will be directed to the protesting Proposer within fourteen (14) calendar days of receipt of the protest, advising of the decision with regard to the protest and the basis for the decision.

- 5) Final Approval: Proposer acknowledges any lease resulting from this RFP will be awarded by final approval of the San Bernardino County Board of Supervisors, and that unless and until such approval by the Board, there is no

binding obligation by the County, and any action by the Proposer taken prior to such approval is at the Proposer's sole risk.

- 6) **Inaccuracies or Misrepresentations:** If in the course of the RFP process or in the administration of a resulting lease, the County determined that the Proposer has made a material misstatement or misrepresentation or that materially inaccurate information has been provided to the County, the Proposer may be terminated from the RFP process or in the event a lease has been awarded, the lease may be immediately terminated.
